EXPOSING THE PLOT AGAINST HUMANITY

As we conclude the annual Feast of Purim, we once again celebrate how this is a time when God exposes evil plots against His people and brings justice to the perpetrators. It is no coincidence that at this time, evil plots are being exposed.

- We see in the Bible many plans to attack and destroy God's people. This is the spirit of Cain, a murderous spirit, which when escalated becomes a spirit of genocide.
- When we see these things at work in the world, it is important to remember who our God is. The Lord is greater than he who is in the world (1 John 4:4).
- God has a plan for us and the church; He is not finished yet in the earth nor the nations. God is the Alpha and Omega, the author and finisher of our faith.
- When we see people rising to oppose God's people, it is important to remember it is a repeat of what has already been attempted.

Luke 10:19 God gives us the power to not only remain but move in a spirit of authority and declaration over evil devices; none can harm us!

- *Scriptures not quoted.*

THE LORD EXPOSES THE ENEMY

i. Ecclesiastes 1:9

There is nothing new under the sun! Things happening in present day have already happened throughout the Bible and God's plan is faithful to prevail!

ii. Jeremiah 33:3

He knows the end from the beginning and will show us things we cannot see. When we call upon the Lord, He is faithful to reveal that which is hidden in the shadows.

iii. Isaiah 55:11

As we learn today that wicked organizations are plotting against humanity, we have an obligation/responsibility as a people of God to stand up and fight against darkness, we know that our God is in control so we declare that all the plans of the enemy will not prosper. Those plans who seek to destroy, to divide, to kill, will not prosper in Jesus name.

iv. Isaiah 54:17, Psalm 91:11, Psalm 35

The weapons formed against us will not prosper because they cannot. The Lord gives us supernatural protection and will judge those that would try to condemn the Lord.

THE LORD EXPOSES THE PLOT

v. Luke 4:1-8; 8:17.

The Lord will always expose people! He brings to light that which was sought to be concealed and hidden. He forces it out! Though justified, the only response Jesus made to every accusation and temptation the devil made was quote scripture. We too must respond: "IT IS WRITTEN", then quote scripture. The word of God has the authority to stop the devil in his tracks.

vi. Daniel 11:37; Revelation 13:15-17

Who will be the antichrist? We know that the antichrist will be likable, blaspheme God, a homosexual. The antichrist will have an end time agenda to force everyone to receive a mark either in their right hand or their forehead and without it, you will not be able to buy or sell anything. The antichrist plans to require all people to worship him.

THE LORD WILL BLESS YOU IN FRONT OF YOUR ENEMY

vii. 1 Corinthians 2:9; Numbers 23:19.

God is a good God! He is the one who writes our story, not wicked people controlled by the satan. The Lord promises us good things, such as we have never seen before! When we love Him, He will bless us with things we could never imagine!

viii. Luke 10:19

God gives us the power to not only remain but move in a spirit of authority and declaration over evil devices; none can harm us!

ix. Psalm 89:5-18

We didn't come this far to be taken out now! No demonic agenda can determine the future of God's people. The right hand of God is the hand of blessing, His faithfulness will keep and bless His people.

x. Ecclesiastes 2:26

At the right time, God will force the wicked of the world to surrender their wealth and riches to the body of Christ.

xi. Isaiah 1:19

If we are willing and obedient, we will eat the good of the land. That means the best life has to offer, is for children of God.

xii. Deuteronomy 8:18

God gives us the power to attain wealth. Mature Christians realize money is but a commodity which is used to live our lives, be a blessing to others, fund the Gospel of Jesus Christ, and enjoy life more abundantly.

xiii. John 10:16

God is committed to the harvest. It is important to know that just as God is love, He is a man of war. He will protect, vindicate and sustain His own. He will honor us in front of our enemies.

THE LORD DEALS WITH YOUR ENEMIES

xiv. Esther 3

Servants of the Lord only bow and give reverence to God. This greatly disturbs humans who desire to be worshiped. Throughout history, we see various individuals under demonic influence who believe they have the right to control other people. At the root is always a lust for power and money. The spirit of genocide will destroy women, children and men alike.

xv. Esther 4-7

Esther's positioning and placement is strategic for the mission of the Lord. This is how God works; He places people where He needs them. The devil has a plot, but God always has a plan. The Lord caused the king to be sleepless, which led to a series of events which ultimately left Haman exposed and Mordecai honored. God has a way of opening the eyes of people, such as King Xerxes, and we saw the same with Apostle Paul. The Lord is famous for turning around even the most sinister of plots. We see how the Lord delivered His people then, and we are confident He will do so again.

Scriptures to meditate on:

Proverb 18:21

We must use our words to reinforce Gods Word and His will.

Don't repeat (and reinforce) evil words!

Luke 6:38

Give and it will be given. Kingdom economy dictates that as you sow seed, your seed will produce a sure and overflowing harvest

Truths to remember:

John 14:6

Jesus Christ is the way, the truth and the life.

John 16:13

The Holy Spirit leads us to all Truth.
