

QUALITIES OF AN EFFECTIVE CHRISTIAN CHURCH

*The ministry of Jesus Christ was that of redemption and miracles! One fascinating thing Jesus said is that those who believe in Him, will do the works that He did, and even **greater** works.*

- We can approach Him with confidence, knowing that His word is powerful and valid today. Anything we ask in Jesus name, He will do. **John 14:13-14**
- Many would consider themselves as followers of Jesus but can't truly experience Him because they are lacking relationship with Him. When we are not following His heart, we are renouncing to all the benefits He has already gave us!
- After Jesus ascent to His throne, the Lord sent the Holy Spirit to help and guide His church. The same Holy Spirit that visited the first Church on earth can visit us today! **Acts 1:8**
- When His Church welcomes the Holy Ghost, it's receiving His power. It also produces wonderful changes in us. We grow in Him and as we grow, we produce fruit. The Bible calls that the fruit of the Spirit. **Galatians 5:16-26**
- Purpose of this study is to help you understand about the importance of the Holy Spirit during these dangerous times

When you have the Holy Ghost, you are bold! You start to experience transformation and renovation, through Him, all things are possible.

CONFESSIONS

The Bible tells us our words have power. The words we speak create life, health, victory and breakthrough, or they create destruction and death. This goes far beyond our words being either positive or negative. The Lord reveals we are made in His image; God 's breath is the air in our lungs. When that air is released during the speaking of words, we are literally releasing creative power.

Remember, it was God who spoke the world into existence! His words have power, and because we were made in the image of our Creator, our words have power too. — ***Genesis 1:26, Proverb 18:21***
